

**Technical Programme  
International Exhibition for Animal Husbandry and Breeding  
AgroFarm 2010**

**26-28 May 2010**  
Moscow, All-Russian Exhibition Centre (AREC), Hall № 57

Time/ Place	Event
<b>26 May (Wednesday)</b>	
<p><b>10.30-12.30</b> <b>Conference room</b></p>	<p><b>Business dialogue</b> <b>"Interactions between state and industry and their influence on the development of animal production in Russia"</b></p> <p><b>Moderation:</b> <b>Mikhail Chkanikov</b> – <i>Journalist, Rossiyskaya Gazeta (Russian newspaper)</i></p> <p><b>Introduction:</b> <b>"Russia's present situation with regard to animal production: strategy and future development"</b> <b>Alexander Belyaev</b> – <i>Deputy Minister of Agriculture of the Russian Federation</i></p> <p><b>Podium discussion:</b> <b>Alexander Belyaev</b> – <i>Deputy Minister of Agriculture of the Russian Federation</i> <b>Airat Khairullin</b> – <i>1<sup>st</sup> Deputy Chairman of the Agricultural Committee of the Russian State Duma</i> <b>Sergey Lisovskiy</b> – <i>1<sup>st</sup> Deputy Chairman of the Council of the Federation Committee for Agri-Food Policy and the Fishing Industry</i> <b>Andrey Danilenko</b> – <i>President, Group 'Russkie Fermy'</i> <b>Alexander Nikitin</b> – <i>General Director, 'Miratorg'</i> <b>Björne Drechsler</b> – <i>General Director, 'GEA Westfalia Surge', Russia</i> <b>Igor Kotov</b> – <i>General Director, 'Big Dutchman', Russia</i> <b>Igor Kuimov</b> – <i>General Director, 'Elinar Broiler'</i></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, AREC, DLG e.V.</p>
<p><b>12.30-13.00</b> <b>Stage</b></p>	<p><b>Official opening ceremony of the exhibition</b> <b>AgroFarm awards ceremony: 'Best Product' and 'Best Service'</b></p>
<p><b>Cattle</b></p>	
<p><b>13.30-15.45</b> <b>Forum 1</b></p>	<p><b>"Rolling out modern technologies on the ground – profit-oriented adaptations"</b></p> <p><b>Moderation:</b> <b>Evgenia Uvarkina</b> – <i>Managing Director, 'Agrofirma Trio'</i> <b>Michail Mishchenko</b> – <i>Chief editor, 'Dairy News' press agency</i></p> <p><b>Welcome address</b></p>

	<p><b>"Reserves for raising work productivity levels in cattle farms"</b> Evgenia Uvarkina – <i>Managing Director, 'Agrofirma Trio'</i></p> <p><b>"'Agrofirma Trio' and its experience with farm management"</b> Lidiya Koroleva – <i>Deputy Director of Animal Production, 'Agrofirma Trio'</i></p> <p><b>"Cattle farming and feeding in smallholdings"</b> Alexander Sayapin – <i>Head of the 'Sayapin' farming company, Tula region</i></p> <p><b>"Work organisation and farm management – the example of the 'Plemzavod Kommunarka' breeding enterprise"</b> Dmitry Ryabov – <i>General Director, 'Plemzavod Kommunarka', Moscow region</i></p> <p><b>"Profitability of dairy production in Europe"</b> Inna Iliencko - <i>European Dairy Farmers Club</i></p> <p><b>Questions and Discussion</b></p> <p><b>Closing remarks by the moderators</b></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, 'Dairy News', 'Agrofirma Trio', AREC</p>
<b>13.00-13.30</b> <b>Open Air</b>	<p><b>Live demonstration:</b> Milking <b>Organisers:</b> DeLaval, AREC</p>
<b>15.30-16.30</b> <b>Open Air</b>	<p><b>Live demonstration:</b> Cow Care <b>Organisers:</b> HCS Herdenmanagement GmbH, Bloks Kuhservice, AREC</p>
<b>16.00-17.00</b> <b>Forum 1</b>	<p><b>"Design concepts and trends in beef-cattle fattening facilities"</b> <b>Organiser:</b> GEA Westfalia Surge</p>
<b>17.00-18.00</b> <b>Forum 1</b>	<p><b>"Presentation of mixer feeders Triolet Solomix"</b> <b>Organiser:</b> Kolnag</p>
<b>Pig</b>	
<b>13.30-14.30</b> <b>Forum 2</b>	<p><b>"Overview of the U.S. purebred swine industry"</b> <b>Organiser:</b> National Swine Registry</p>
<b>14.30-15.45</b> <b>Forum 2</b>	<p><b>"Development of genetic breeding centres for breeding pigs - cooperation with pig farmers"</b></p> <p><b>Moderation:</b> <b>Denis Cherkesov</b> – <i>Deputy Director of the Department of Livestock at the Ministry of Agriculture of the Russian Federation</i></p> <p><b>Introductory statement by the moderator</b></p> <p><b>Present situation and development strategy of pig breeding in Russia in 2010-2012.</b> <b>Dr. agr. Viktor Garai</b> – <i>Director, Laboratory VNIIPlem (All-Russian Research Institute of Animal Husbandry)</i></p>

	<p><b>Objectives and tasks to be resolved by the breeding centres</b>  <b>Dr. bio. Nataliya Zinovyeva</b> – <i>Deputy Director, VNIIPlem (All-Russian Research Institute of Animal Husbandry)</i></p> <p><b>How does the new approach for establishing a network of breeding centres differ from previous proposals?</b>  <b>Ella Vasilyeva</b> – <i>Chief expert for breeding work, National Association of Pig Producers</i></p> <p><b>Discussion:</b>  <b>What do pork producers think about the initiatives of the Ministry of Agriculture regarding the creation of the breeding centre network? What kind of production problems should a network of this kind resolve?</b>  <i>Representatives of pig farms</i></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, National Association of Pig Producers, AREC</p>
<p><b>16.00-18.00</b>  <b>Forum 2</b></p>	<p><b>"Organisation of breeding work on pig farms"</b></p> <p><b>Moderation:</b></p> <p><b>Ella Vasilyeva</b> – <i>Chief expert for breeding work, National Association of Pig Producers</i></p> <p><b>Legal requirements for organising and conducting zootechnical tracking and for tracking breeding animals on the farm.</b>  <b>Dr. Viktor Garai</b> – <i>Laboratory Director, All-Russian Research Institute for Farm Animal Genetics and Breeding</i></p> <p><b>Organizing breeding work in ‘Znamenskoe’. Cooperation with foreign specialists.</b>  <b>Anatoly Andrushenko</b> – <i>Chief zootechnician and stock-breeder, ‘Znamenskoe’</i></p> <p><b>Establishing breeding centres at big commercial farms and organising breeding work at these centres</b>  <b>Ella Vasilyeva</b> – <i>Chief expert for breeding work, National Association of Pig Producers</i></p> <p><b>Organization of breeding work at ‘Verdazernoprodukt’ farm</b>  <b>Anzhelika Zabolotnaya</b> - <i>Chief zootechnician and stock-breeder, ‘Verdazernoprodukt’</i></p> <p><b>Organization of breeding work in Great Britain, Germany and France</b>  <b>Chris Jackson</b> – <i>Expert for Animal Export, British Pig Association</i>  <b>Martin König</b> – <i>Managing Director, Bavarian Producers’ Association and Hybrid and Breeding Pigs Breeders’ Society (EGZH)</i>  <b>Didier Goupil</b> – <i>President, France Hybrides, France</i></p> <p><b>Problems and solutions in the organization of breeding work at pig farms –</b></p>

	<p><b>Case Studies</b> <i>Representatives of the pig breeding farms</i></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, National Association of Pig Producers, AREC</p>
<b>Management</b>	
<b>14.00-15.30 Forum 3</b>	<p><b>"Farm reports - adapting reporting to modern production and economic parameters"</b> <b>Organisers:</b> Ministry of Agriculture of the RF, AREC</p>
<b>16.00-17.30 Forum 3</b>	<p><b>"Reducing energy costs through energy service contracts"</b> <b>Organisers:</b> Ministry of Agriculture of the RF, AREC</p>
<b>27 May (Thursday)</b>	
<b>Cattle</b>	
<b>11.00-13.00 Forum 1</b>	<p><b>"Beef cattle husbandry in Russia - how to improve the profitability of beef production"</b></p> <p><b>Moderation:</b> <b>Nikolay Bobin</b> – <i>Chairman of the 'Russian Association of Beef Producers', Chairman of the Board, 'Zeros' farming group</i></p> <p><b>Introductory statement by the moderator</b></p> <p><b>"Innovations in breeding, husbandry, technology and business – cornerstones of success in beef cattle breeding"</b> <b>Dr. agr. Gennady Legoshin</b> – <i>Director of the Department of Beef Cattle Production, VNII (All-Russian Research Institute of Animal Husbandry, RAAS (Russian Academy of Agricultural Sciences)</i></p> <p><b>"Improving performance through breeding in the Stavropol region cattle stock"</b> <b>Nikolay Dorokhin</b> – <i>Deputy Director for Animal Breeding, 'Stavropolskoe', Stavropol Region</i></p> <p><b>"Setting up and using feedlots in Russia"</b> <b>Nikolay Bobin</b> – <i>Chairman of the Board, 'Zeros' farming group, Lipeck region</i></p> <p><b>"Intensive farming of young stock of various breeds up to 500 kg and more"</b> <b>Nikolay Zhernov</b> – <i>Director, Agrofarm 'Mcenskaya', Orlovsk region</i></p> <p><b>"Suckler cow husbandry and extensive use of grasslands"</b> <b>Bernd Schuster</b> – <i>Representing GGI – German Genetic International GmbH, Germany</i></p> <p><b>"Ongoing status and future outlook for beef cattle husbandry in the Tver</b></p>

	<p><b>region"</b>  <b>Nikolay Sudarev</b> – <i>Director of the Tver Laboratory for Animal Selection and Breeding, All-Russian Research Institute of Animal Husbandry (VNIIPlem), Tver region</i></p> <p><b>"Establishing a genetic centre for the Angus breed in Russia"</b>  <b>Sergey Nicenko</b> – <i>General Director, 'Angus Genetic Centre', Kaluga region.</i></p> <p><b>Discussion and closing remarks by the moderator</b></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, VIZh, AREC</p>
<p><b>13.30-15.00</b>  <b>Forum 1</b></p>	<p><b>"Performance-enhancing reproduction and breeding programmes"</b></p> <p><b>Moderation:</b></p> <p><b>Ivan Dunin</b> – <i>Director of FGNU (Federal State Scientific Facility) of the VNIIPlem (All-Russian Research Institute of Animal Husbandry, Member of RAAS (Russian Academy of Agricultural Sciences)</i></p> <p><b>Introductory statement by the moderator</b></p> <p><b>"Present situation and problems concerning the breeding of imported cattle in Russia"</b>  <b>Ivan Dunin</b> – <i>Director of FGNU, VNIIPlem</i></p> <p><b>"Microchip identification in cattle"</b>  <b>Roman Tikhonov</b> – <i>Deputy Director, 'Chipping'</i></p> <p><b>"Modern approaches to reproduction in dairy cattle"</b>  <b>Yusup Tukhvatullin</b> – <i>Reproduction technology expert and advisor</i></p> <p><b>"Biological methods for improving cattle reproduction"</b>  <b>Anatoly Erokhin</b> – <i>Director of the Department of Farm Animal Reproduction Biology, VNIIPlem Professor</i></p> <p><b>"Reproduction of native and imported cattle in Siberia"</b>  <b>Zinaida Irodova</b> – <i>General Director, 'Plemservis', Tomsk region</i></p> <p><b>"Innovative methods facilitating the efficient harnessing of genetic potential in cattle in the USA"</b>  <b>Todor Arbov</b> – <i>Consultant 'ABS Global', USA</i></p> <p><b>"Scandinavian cattle breeding – reasons for the rising demand for Scandinavian breeding cattle at home and abroad"</b>  <b>Aleks Yatson</b> – <i>General Director, 'EvroAgro', Moscow region</i></p> <p><b>Closing remarks by the moderator</b></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, VNIIPlem, AREC</p>

<b>13.00-13.30</b> <b>Open Air</b>	<b>Live demonstration</b> Milking <b>Organisers:</b> DeLaval, AREC
<b>15.00-16.00</b> <b>Forum 1</b>	<b>"The advantages of robotic milking in Russia"</b> <b>Organiser:</b> Lely
<b>15.00-16.00</b> <b>Open Air</b>	<b>Live demonstration</b> Cow Care <b>Organisers:</b> HCS Herdenmanagement GmbH, Bloks Kuhservice, AREC
<b>16.00-17.00</b> <b>Forum 3</b>	<b>"Equipment for cattle sheds and grasslands"</b> <b>Organiser:</b> Patura
<b>16.00-17.00</b> <b>Forum 1</b>	<b>"Fundamentals of successful beef cattle husbandry"</b> <b>Organiser:</b> Rosagroleasing
<b>17.00-18.00</b> <b>Forum 1</b>	<b>"Successful Embryo Transfers"</b> <b>Organiser:</b> American Embryo Transfer Association
<b>Pig</b>	
<b>11.00-12.30</b> <b>Forum 2</b>	<b>"Automatic management systems for pig farming"</b> <b>Organisers:</b> Ministry of Agriculture of the RF, National Association of Pig Producers, AREC
<b>12.30-13.30</b> <b>Forum 2</b>	<b>"Profit maximization with the aid of modern reproduction technologies in pig breeding"</b> <b>Organiser:</b> Nucleus
<b>14.00-15.30</b> <b>Forum 2</b>	<b>"Meeting standards - climate control and housing conditions in modern pig husbandry"</b>  <b>"General microclimate standards needed to maintain high levels of stock performance"</b> <i>Andrey Pavlov – Production Manager, PIC</i>  <b>"New procedures and system solutions for climate regulation in modern pig housing"</b> <i>Alexander Schwann – Head of Sales Russia, Schauer Russia</i>  <b>"Modern high-tech solutions to microclimate regulation in piglet raising and fattening units"</b> <i>Aleksey Lyszov – General Director, GK Neofors</i> <i>Andrey Artamonov – Director, Neofors – Strojproyekt</i>  <b>"Modernisation of air-conditioning systems and the impacts generated: contents of the modernisation project, comparative analysis of the technical and economic parameters"</b> <i>Alexander Koshelev – General Director, 'Maschkino' agricultural enterprise</i>  <b>Discussion</b>  <b>Organisers:</b> Ministry of Agriculture of the RF, AREC
<b>16.30-17.30</b> <b>Forum 2</b>	<b>"Specificities of working with high-performance genetics"</b> <b>Organiser:</b> Porc-Ex Breeding, France
<b>17.30-18.00</b> <b>Forum 2</b>	<b>"Modern techniques for pig insemination"</b> <b>Organiser:</b> Semen Kardona, Spain

<b>15.30-16.30 Forum 2</b>	<b>"Modern technologies for processing and using manure in industrial animal husbandry"</b> <b>Organiser:</b> Biokomplex
<b>Veterinary Medicine</b>	
<b>11.00-12.30 Forum 3</b>	<b>"Veterinary care and animal health"</b> <b>Organisers:</b> Ministry of Agriculture of the RF, AREC
<b>Poultry</b>	
<b>13.00-15.00 Forum 3</b>	<p><b>International conference</b> <b>"International and Russian turkey breeding: potential openings for cooperation and development perspectives"</b></p> <p><b>Moderator:</b> <b>Jury Markov</b> – <i>General Director, Turkey Breeders Association, Russia</i></p> <p><b>Welcome address</b></p> <p><b>"Positive trends in domestic turkey husbandry"</b> <b>Dr. Eduard Dzhavadov</b> – <i>Director, All-Russian Institute of Poultry Husbandry</i></p> <p><b>"Development outlook for the turkey product market in Europe and the Russian Federation"</b> <b>Heinz Bosse</b> – <i>Director in charge of development in Europe and Russia, Kartzfehn, Germany</i></p> <p><b>"Canadian turkey husbandry technologies"</b> <b>Scott Chambers</b> – <i>Vice-President, CUDDY FARMS, Canada</i></p> <p><b>"Overview of leading turkey breeds and new turkey breeds on the global market"</b> <b>Richard Hutchinson</b> – <i>Vice-President, AVIAGEN/BUT PRODUCTS, Great Britain</i></p> <p><b>"New technologies and production methods in the turkey husbandry sector"</b> <b>Richard Houlbrooke</b> – <i>Managing Director, HYBRID TURKEYS, Canada</i></p> <p><b>"Initial hands-on results of vaccination against coccidiosis and gemorragical enteritis in the Russian Federation"</b> <b>Dr. Martin Andriewsky</b> – <i>Owner and expert turkey diseases, Panda, Poland</i></p> <p><b>"Incubation of turkey eggs and logistics of one-day turkeys"</b> <b>Anatol Gerczak</b> – <i>General Director, NORD-POL INCUBATION, Poland</i></p> <p><b>"Optimising production costs with automatic management systems"</b> <b>Vadim Shichkin</b> – <i>Director of Development, owner of the company 'Reserv'</i></p>

**"Overview of ongoing situation in Russian turkey husbandry sector, including the development outlook"**

**Jury Markov** – *General Director, Turkey Breeders Association, Russia*

**Discussion**

**Organisers:** Ministry of Agriculture of the RF, National Turkey Breeders Association, AREC

**28 May (Friday)**

**Cattle**

**11.00-13.00  
Forum 1**

**Information meeting**

**"Processing and marketing cooperation in the dairy industry"**

**Moderation:**

**Dr. Olga Hunger** – *Head of Cooperation with CIS States, DLG e.V.*

**Michail Mishchenko** – *Chief editor, 'Dairy News' press agency*

**Discussion topics:**

- Cooperation and globalisation – global dairy markets and the role of cooperatives
- Milk producers unite in cooperatives to ease price pressure from processing industry
- Cooperatives as a means of expanding production and trade infrastructure
- Milk producers join cooperatives to form a united front against retail chains
- Founding cooperatives as a means of offsetting risks on the international market
- Cooperation and the struggle against administrative pressure
- Cooperatives of the future – large or small?
- Milk associations: cooperation or politics?

**Participants:**

- **Monika Wohlfarth** – *Managing Director, Zentrale Milchmarkt Berichterstattung GmbH*
- **Evgeny Kuznecov** – *Supervisory Board Chairman, Zentrosojus RF*
- **T.J. Flanagan** – *Director of the Dairy Policy Department, cooperative association, Ireland (ECOS)*
- **Frans A. M. Keurentjes** – *Management board member, Friesland Campina Holland, Campina*
- **Andrey Danilenko** - *President, Russian Union of Milk Producers*
- **Vladimir Volkov** – *Deputy Chairman of the Government, Minister of Agriculture for the Pensa region*
- **Evgenia Uvarkina** – *Managing Director, 'Agrofirma TRIO'*

<p><b>13.00-13.30</b> <b>Open Air</b></p>	<p><b>Live demonstration:</b> Milking <b>Organisers:</b> DeLaval, AREC</p>
<p><b>13.30-15.00</b> <b>Forum 1</b></p>	<p><b>"Milk production on smallholdings"</b></p> <p><b>Moderation:</b> <b>Alexander Belyaev</b> – <i>Deputy Minister of Agriculture of the Russian Federation</i></p> <p><b>Welcome speech</b> <b>Alexander Belyaev</b> – <i>Deputy Minister of Agriculture of the Russian Federation</i></p> <p><b>Organising dairy production in smallholding structures – case studies</b></p> <p><b>Alexander Gulin</b> – <i>‘Gulin’ farming enterprise, Republic of Mordovia, Ruzeevsky district, Teplovka village</i></p> <p><b>Viktor Orlov</b> – <i>‘Orlov’ farming enterprise, Belgorod region, Belgorodsky district, Petrovka village</i></p> <p><b>Vitaliy Vetrov</b> – <i>‘Vetrov’ farming enterprise, Belgorod region, Belgorodsky district, Tolokonnoe village</i></p> <p><b>Mikhail Belickiy</b> – <i>‘Belicky’ farming enterprise, Tambov region, Znamensky district, Aleksandrovka village</i></p> <p><b>Funding investments in technical equipment on dairy farms within the scope of leasing programmes</b> <b>Alexander Bakhmach</b> – <i>Deputy Director of the Department for Material Supplies and Equipment, ‘Rosagroleasing’</i></p> <p><b>Financing the construction, reconstruction and modernisation of dairy cattle housing in smallholdings</b> <b>Vladimir Koshelev</b> – <i>Director of the Division for Project Analysis and Evaluation in the Department of Corporate Credit, ‘Rosselkhosbank’</i></p> <p><b>"Cooperation between Russian farming associations and the state regarding the implementation of the dairy production support programme for small farms"</b> <b>Vyacheslav Telegin</b> – <i>Chairman of the Board, Association of Farming Enterprises and Agricultural Cooperatives</i></p> <p><b>Discussion</b></p>

	<b>Organisers:</b> Ministry of Agriculture of the RF, AREC
<b>14.00-15.00</b> <b>Open Air</b>	<b>Live demonstration:</b> Cow Care <b>Organisers:</b> HCS Herdenmanagement GmbH, Bloks Kuhservice, OOO 'GAO VVC'
<b>15.00-16.00</b> <b>Forum 1</b>	<b>"DeLaval solutions for dairy cattle farms"</b> <b>Organiser:</b> DeLaval
<b>Pig</b>	
<b>11.00-12.00</b> <b>Forum 2</b>	<b>"Fattening in Russia with high-quality German piglets"</b> <b>Organiser:</b> Haller AG
<b>12.00-13.00</b> <b>Forum 2</b>	<b>"Transit compound feed for mother sows"</b> <b>Organiser:</b> Cargill
<b>13.00-14.00</b>	<b>"New procedures for improving the reproduction ratios of mother sows and weight gains of weaners"</b> <b>Organiser:</b> Ro-Main
<b>14.00-15.00</b>	<b>"Benefits of soybean meal for piglets"</b> <b>Organiser:</b> American Soybean Association
<b>Poultry</b>	
<b>11.00-12.00</b> <b>Forum 3</b>	<b>"Modern incubation techniques"</b>  <b>"Modern incubation techniques"</b> <b>Lyudmila Dyadichkina</b> – <i>Director of the Department for Incubation, All-Russian Institute of Poultry Husbandry (VNTIP)</i>  <b>"Veterinary and sanitary measures in egg incubation"</b> <b>Nikolay Kozhemyaka</b> – <i>Director of Consultancy and Analysis Department, AVIS</i>  <b>"Incubation plants in Russian production"</b> <b>Dmitriy Bosov</b> – <i>General Director, Stimul Inc.</i>  <b>Organisers:</b> Ministry of Agriculture of the RF, Russian Poultry Union, VNITIP, AREC
<b>13.00-14.00</b>	<b>"Prospects for ostrich farming in Russia"</b> <b>Organisers:</b> Ministry of Agriculture of the RF, AREC
<b>Management</b>	
<b>12.30-13.00</b>	<b>"Professional information for farmers"</b> - Fermer.ru
<b>Rabbit</b>	

<p><b>14.30-16.00</b></p>	<p><b>"Rabbit husbandry - a sector with future"</b></p> <p><b>"Economic exploitation and specific biological features of rabbits"</b>  <b>Nikolay Tinaev</b> – <i>Member of scientific staff, the Research Institute for Wild Animal Husbandry for Production and Rabbit Husbandry, Afanasiev</i></p> <p><b>"Rabbit husbandry as a business enterprise"</b>  <b>Sergey Prochorov</b> – <i>Rabbit farmer, Istra, Moscow region</i></p> <p><b>"Current rabbit breeds: pro and contra"</b>  <b>Alexander Chernov</b> – <i>Farmer, Stupino, Moscow region</i></p> <p><b>"Rabbit husbandry hands on – example of ‘Kait’ farm"</b>  <b>Alexander Kait</b> – <i>Entrepreneur ‘Kait’</i></p> <p><b>"Industrial techniques in rabbit breeding and husbandry"</b>  <b>Oksana Ivanova</b> – <i>Director of industrial rabbit husbandry, ‘Valmont Agro’</i></p> <p><b>"Development strategies for rabbit husbandry in Russia"</b>  <b>Nathalia Vistyak</b> – <i>Managing Director, Association of Rabbit and Hobby Animal Keepers, ‘Krolikozverovod’</i></p> <p><b>Closing remarks by moderator</b></p> <p><b>Organisers:</b> Ministry of Agriculture of the RF, AREC</p>
