--	------------------------	---	---

The company Fabdec offers a wide range of milk cooling equipment branded **DARI-KOOL**[®]: Milk cooling tanks from 100 to 28000 Liters, plate coolers and ice bank tanks. In addition, our heat recovery system **THERMA-STOR**[®] DUPLEX uses waste heat of the condensing units to heat up water. The milking equipment of the **KINGSTON** range offers all what you require to milking your cows: Liners, claws, tubing, milk pumps, vacuum pumps and a lot of other equipment and accessories.
