Spaggiari Industria Gomma s. r. l. has been producing a complete range of rubber components for milking machine for Bovine, Ovine, Goats and Buffaloes, on location at our own manufacturing plant based at Luzzara, for more than 30 years. Thought collaboration with costumers qualified in this sector, it has enabled us to develop a high level of experience and quality in this field. The Quality Management System of Spaggiari Industria Gomma s. r. l. is certified in compliance with norms UNI EN ISO 9001-2000.

Our products are guaranteed in duration, homologated for use in contact with milk according to the norms BGA (D) with the mark RAL D-2.

The products shown on our web site [www. Spaggiarigomma.it](http://www.Spaggiarigomma.it) are:

Milking liners;

Silicone liners;

Rubber vacuum tubes;

Silicone milk tubes;

Rubber fittings;

Transparent milk tube.

We are at your complete disposal to manufacture personalized items of the above components or parts planned by design.

You can find information about our range of products on web, but you can also contact us directly by:

Phone: 0039/0522/825808

Fax: 0039/0522/824062
